

Rockwood Fractures Solutions, 3 Volume Set

The Rockwood Solution gives you a complete print and multimedia package consisting of the established gold-standard three-volume reference on fractures, plus access to an integrated content Website. Rockwood, Green, and Wilkins Fractures in its thoroughly revised, updated Sixth Edition is written by the worlds foremost authorities. It provides comprehensive coverage of all bone and joint injuries, thorough discussion of alternative treatments for each injury, and coverage of the preferred methods. Volumes I and II cover fractures in adults, and Volume III covers fractures in children. The improved art program features 6,900 illustrations, all contained in your Solution image bank. Pearls and pitfalls have been added to the authors preferred method presentations, and coverage of complications has been expanded. The Rockwood Solution Website will contain the fully searchable three-volume set in addition to feature articles from the Journal of Orthopaedic Trauma and a monthly update of relevant journal articles to keep you up to date. All images are downloadable so they can be used in your PowerPoint presentations. Features include: the newly updated Sixth Edition of the gold standard three-volume reference on fractures plus a Website that includes: Online Access: Website features fully searchable content from the three-volume set; Image Bank: a complete image bank searchable and downloadable to your Powerpoint presentations; Journal of Orthopaedic Trauma: featured articles will provide the latest techniques to help stay one step ahead in your practice. Featured articles: additional articles from Lippincott Williams amp Wilkins techniques journals to keep you up to date.
