

Lancelot - The one-armed Kangaroo

Lancelot is an orphaned joey growing up on a farm. One day he comes across a kangaroo mob and wants to join it. He escapes from home and injures his arm so badly that it has to be amputated. Left alone in the bush he has to overcome dangerous situations. He is lucky that a girl kangaroo from the mob is curious to find out who Lancelot is and wants to help him.

This story tells a funny, exciting but also heart-warming tale about loneliness, courage -and most of all- true friendship.
