

Fast and Easy Japanese

300 essential Japanese words and phrases on CD and audioscript with pronunciation guide. Fast! If you've always wanted to learn Japanese or need to learn it in a hurry, here is a quick, stress-free introduction to the basics. This 60-minute audio course features more than 300 essential Japanese words and phrases, including the latest vocabulary for the Internet and E-mail. Easy! A narrator guides you through the program, providing brief explanations of the foreign phrases. All you have to do is listen and repeat after the native speakers. And the CD format makes it easy to access any topic instantly. Effective Brief quizzes in this interactive course help you think in Japanese. Lessons include short dialogues so you can hear Japanese spoken naturally. Learn both pronunciation and comprehension skills. To help with memorization, each phrase is spoken twice, with ample pauses for repetition. Portable! A transcript with pronunciation guide is included, but the compact disk may be used alone. It's easy to learn on the go: in a car, on a plane, even while walking or jogging.
