

Coding and Payment Guide for the Physical Therapist--2015

The Coding and Payment Guide for the Physical Therapist is your one-stop coding, billing, and documentation guide to submitting claims with greater precision and efficiency. Co-produced with the American Physical Therapy Association (APTA), this guide has the latest 2015 specialty-specific ICD-9-CM, HCPCS Level II, and CPT code sets along with Medicare payer information, CCI edits, helpful code descriptions, and clinical definitions. Key Features: Increase coding efficiency. All CPT code information is included on one page for quick and easy look-up. Prevent claim denials and stay up-to-date with Medicare payer information. Review Medicare Pub. 100 references containing information linked to HCPCS Level II and CPT codes tailored to physical therapy to prepare cleaner claims before submission. Avoid confusion with easy-to-understand descriptions. Includes clear explanations of procedures represented by CPT codes, along with clinical definitions and ICD-9-CM code explanations specific to physical therapy. Improve the precision of ICD-9-CM code selection. Prevent claim denials often caused by incorrect code selection with icons that help identify the most appropriate ICD-9-CM code. CCI Edits by CPT code. CPT codes with associated CCI edits in a special section and quarterly updates available online.. CPT is a registered trademark of the American Medical Association.
