

Fly on the Wall

On a date with his coworker, Jaylin dies and finds himself in a surreal afterlife world where he gets to choose to be reborn over and over. He learns that he must attend an orientation that will in turn prep him for choosing his next reincarnation on Earth. While his guide, Dorian, attempts to counsel him, he fumbles through the shorter lifespans of various earth creatures and learns a little more about life than he thought he did. Torn between completely starting over and staying put in this new realm, Jaylin does his best to avoid the commitment of another human life.
