

## PROPERTY 57

All that man can perceive in the short dark ride of his life in the world. Is it entirely and solely because it truly exists? Are There at some level unknown things that even this one ignores? these are very discussed issues in the crowd. However, it will be presented in this particular story, a story that will give the reader a more detailed idea about the deep and black misteries of these questions. It will be the same unfortunate who tell their black and bloody ordeal, as seen wrapped unwittingly into a demonic persecution, in which his mind and reason are tested.
