

Am Anfang: Sprachgefühl-Lesebuch Für Konversation (Classic Reprint)

Excerpt from Am Anfang: Sprachgefühl-Lesebuch Für Konversation

The selections have been simplified and adapted for beginners, while at the same time the German construction and the spirit of the language have been kept intact. It has been felt that the inverted and the transposed word-orders should have their natural place, so that a student may be trained very early in the way the Germans think. Any omission of these constructions not only does violence to German construction and thought, but gives the student a false idea of progress without really conquering a difficulty that he must eventually conquer when he passes from the Reader to any literature. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
