

Become

If Abbie wants to survive, she has to BECOME... After a near-death experience, Abbie Thomas finds herself at the mercy of the olichon--a human-like species that has, until recently, remained hidden from the rest of the world. Staggered by the news that she can never go home, Abbie is forced to renounce her humanity and take up the sword. Fighting to stay alive by mimicking those around her, Abbie's mortality is tested again and again.
