

Bedtime for Little Bears

Little Bear flumped down in the snow and wiggled his tail. Im not sleepy, he said, and I dont want to go to bed yet. Mother Bear smiled. Shall we take one last walk, she said, and see who else is going to bed? Little Bear and Mother Bear take one last walk to see the other animals getting ready for bed. Will this make Little Bear sleepy enough to snuggle down for the night? With cuddly illustrations painted in cool tones, this wonderful bedtime book is the perfect story for any child who isnt quite ready to go to sleep.
