

Berlitz German 2.0 (Berlitz 2.0)

This brand-new program from Berlitz presents a unique new way to learn languages. This program provides a multifaceted approach by utilizing the traditional book format and incorporating Web 2.0 technology, including Facebook sites, YouTube videos, iTunes podcasts, and smart phone apps, among others. Texts feature objectives, dialogues, reading, writing, listening, and online activities, and tips on grammar and culture. Language mapping provides an engaging visual approach for fast and easy learning.
