

Better Late Than Never (Turtleback School & Library Binding Edition) (Gifted (Pb))

FOR USE IN SCHOOLS AND LIBRARIES ONLY. Goth girl Jenna Kelley has the ultimate tool to stage a teenage rebellion: she can read peoples minds without even trying. When her alcoholic mother is hospitalized, a stranger shows up who says hes her long-lost dad and promises a better future. Too good to be true? Her gifted classmates think so, but Jenna is so determined to have a real parent around and a somewhat normal life that she might have lost her ability to listen.
