

Ghostly Thief of Time: An EMU Club Adventure

The EMU Club is called into action again when they realize that the school janitor is an evil ghost trying to disrupt the flow of time! There's no mystery, the EMU Club is a hit! This is a fun, funny adventure that kids will love to read. Lincoln Peirce, author of *Big Nate*. The EMU Club inhabits exactly the world I always hoped to live in when I was 12, when the answer to questions like *Where did I put my toy* led to inevitably to alien conspiracies and secret underground tunnels. A book for the curious and the adventurous! Cory Doctorow, author of *Down and Out in the Magic Kingdom* and *Little Brother*. An adventure so funny you'll think it couldn't be true but if it isn't true, then where did all those realistic-looking photographs come from? You'd better read this so you'll know what to do when the world ends. Adam Rex, author of *The True Meaning of Smekday*. My name is Stuart Tennemeier, and I'm the President of the EMU Club (Exploration-Mystery-Unbelievable Club). This is my report of our second mission. Once you've solved one great mystery involving alien cats and a robotic dog, how do you find a second one that is just as awesome to solve? Not huge crimes or weird stuff, but everyday mysteries that happen to everyone, like why does time seem to pass more slowly right before school ends? And at other times, like when you're watching your favorite TV show it seems to pass really quickly? There are tons of little mysteries all around us. Sometimes if you look really, really, closely at them, you find out some amazing, incredible things. And you just might save the world.
