

Skycastle, the Demon, and Me: Book 1 in the Skycastle series (Volume 1)

Fast-paced, action-packed and funny, Skycastle, the Demon, and Me is the first in a series of middle grade books for fearless, fantasy-adventure loving readers. Jack gets MUCH more than he bargained for when he orders a demon straight from the Underworld. Things go hilariously awry when the demon Brinkloven Crowley the Third, Brink for short, isn't all what Jack expected. And when Hell's minions come knocking, Jack's and Brink's destinies are tied together in a most unexpected fashion. **WARNING:** This book contains a scowling demon, bad decisions, a skeleton key, an ordinary boy and an extraordinary castle. And a whole lot of fun!
