

Captain Salt in Oz

The 30th book in the Oz series, Captain Salt in Oz was written by Ruth Plumly Thompson and illustrated by John R. Neill. In this exciting Oz adventure tale, Captain Samuel Salt (from Pirates in Oz) sails the Nonestic Ocean and discovers Ozamaland, a legendary land of flying animals, as well as the famous White City of Om, and other places. Captain Salt in Oz is a rare Oz book whose action takes place entirely outside the land of Oz and deals only indirectly with its inhabitants. This edition includes a fully linked table of contents and original cover art. It was carefully formatted for your reading pleasure by Alford Books. We hope you enjoy reading it.
