

## Disney Pros: Unite

Teens Gone Wild ... in Disneyland! When Disneyland announces a contest with the prize an apartment in the Tower of Terror, a group of junior high school friends, the Disney Pros, embark on a scavenger hunt throughout the park, pursued by their villainous principal and a pair of psychotic classmates. In this young adult adventure novel, written by a young adult (author Costa Pappas was in eighth grade when he started the book, and in ninth when he finished), the action never lets up as the Disney Pros hunt down clues left by the Imagineers throughout Disneyland. From Main Street to Space Mountain, from Pirates to Pinocchio to Peter Pan, our junior high heroes race against time, and struggle to overcome their own emotional hangups and hormones, while struggling to stay one step ahead of their foes and solve the most devilishly clever Disneyland riddles this side of a Jim Korkis book. COME HANG WITH THE DISNEY PROS!
