

# 2016 Comprehensive Accreditation Manual for Nursing Care Centers (Comprehensive Accreditation Manual for Nursing Care Centers (Camncc))

The 2016 Comprehensive Accreditation Manual for Nursing Care Centers: The Guide for Powering Performance Excellence in Your Organization (CAMNCC) provides the key information your organization needs to power performance improvement and maintain continuous standards compliance. It features the refreshed standards, elements of performance (EPs), and scoring applicable January 1, 2016, to all nursing homes and rehabilitation centers, along with the standards and EPs for the new Post Acute Care Certification and Memory Care Certification options. The CAMNCC provides everything you need to successfully achieve and maintain compliance with Joint Commission accreditation and optional specialty certification standards. Inside you'll find tips and strategies for staying current with Joint Commission standards, descriptions of the survey and decision process, questions to prompt discussion in your organization about compliance with the standards, checklists of the elements of performance that require written documentation, and action planning worksheets to address any issues of noncompliance. Get ready to power performance improvement and excellence in your nursing care or rehabilitation center. Key Topics: Gold tab standards requirements including the standards, National Patient Safety Goals, and Accreditation Participation Requirements effective January 1, 2016 Standards and elements of performance for optional post-acute care and memory care certification options Blue tab accreditation process information about Joint Commission policies and procedures and practical survey preparation information on the Early Survey Policy, documentation requirements, and more Details on the Intracycle Monitoring process and the Focused Standards Assessment (FSA)

Keys to successfully using the manual for survey preparedness Key Features: Survey readiness tools including compliance prompts, documentation checklists, and action planning worksheets in every standards chapter Whats New summary of changes made since the previous print edition Icons to help navigate scoring, criticality, and risk areas addressed in the FSA Tabs allow you to find exactly what you need when you need it Softcover, spiral-bound book
