This accessible and invaluable workbook-style reference guide will help your students smoothly make the transition from writing for composition classes to writing for psychology classes. In her fifth edition of *WRITING WITH STYLE*, author Lenore T. Szuchman quickly and succinctly provides the basics of style presented by the sixth edition of the APAs *PUBLICATION MANUAL*. Dr. Szuchmans years of experience teaching writing-intensive courses give her an inside track on the trouble spots students often encounter when writing papers and dealing with APA style.
