

## Divine Moments & Caramel Apples

This book on spiritual freedom comes from a lifetime of practice and access to great wisdom. Scott belongs to a long standing lineage from India of spiritually free beings. The ecstatic and admonishing nature of this book reveal Scotts desire to communicate the sublimity and difficulty that Love and Freedom offers. Sometimes poetic, sometimes anecdotal, and often hilariously obvious, this book leaves a lasting impression of the spirituality of humanity itself. Scotts take on living life are the following, which can be intuited when reading this book: Laugh Live Love Take risks Inspire yourself and others Dont take anything too seriously
