

One Word at a Time: Finding Your Way as an Indie Author

Were in the middle of a publishing revolution. Publishing houses no longer hold all of the keys to success as a writer. The world is changing. Every writer has a chance to be part of the new publishing world. This book is not about publishing contracts and million dollar book deals. This book is about creating a life as a writer. One Word at a Time is a deeply personal guide to success as a writer. Eric Vance Walton shares his hard-won lessons about creating and sustaining the writers life. If you want a practical and personal guide to success as a writer, this book is for you.
