

First Day Polar Bear (a fun comedy for children ages 9-12)

Age Level: 9 - 12 Grade Level: 4th and up
Devin feels like there's something off about the new kid in class. His head scrapes the ceiling when he walks, his arms and legs are covered in thick white fur, and hold on a second... is he wearing a mask? The new kid is obviously a polar bear, but why can't anyone else in Devin's class see it?? That's okay, Devin is about to blow the lid off the new kid's cover... that is, if the new kid doesn't eat Devin first! First Day Polar Bear is a 5100 word quirky laugh-out-loud story written by Marcus Emerson & Noah Child.
