

# Recent Trends in Social and Behaviour Sciences: Proceedings of the International Congress on Interdisciplinary Behaviour and Social Sciences 2013

The human aspect plays an important role in the social sciences. The behaviour of people has become a vital area of focus in the social sciences as well. Recent Trends in Social and Behaviour Sciences contains papers that were originally presented at the International Congress on Interdisciplinary Behavior and Social Sciences, held 4-5 November 2013, in Jakarta, Indonesia. The contributions deal with various interdisciplinary research topics, particularly in the fields of social sciences, economics and arts. The papers focus especially on such topics as language, cultural studies, economics, behaviour studies, political sciences, media and communication, psychology and human development. This printed abstracts volume comes with a full paper CD-ROM (634pp).
