

The Frailty of Reputation

Three young people with the same initials, but with little else in common: Scott Marshall ; A schools champion athlete and sixth form student at Turnvale Academy, university is his dream. Admired by almost everyone, but especially by Gemma. Susan Matthews; A tale-teller who craves celebrity, a believer in the motto, why let the truth stand in the way of a good story. Shane Myers; A bitter thug spiralling out of control. Sergeant Porters public enemy number one. Three Stories woven together by events; Scotts promising future is thrown into turmoil by accusations and mounting evidence of his guilt. Can his friends prove Scotts conspiracy theory is not just a figment of his imagination. Susans love for a story leads her into the cruel bullying world of Nicki Taylor and her sadistic friends. When you are prone to exaggeration, like Susan, it is hard to get support when you really need it. Shanes malicious tormenting of a former teacher is a certain path to a life of crime and punishment, one night of vandalism and one badly injured elderly lady are major pieces in the jigsaw of his worthless life. Three Reputations made or broken; Three young people with three differing reputations, what will the future hold for them when their stories unfold?
