

## Oliver and Boyd Geography: Key Stage 2 - Teachers Bk. 2 (Oliver & Boyd Geography)

The Oliver & Boyd Geography series has been written to provide full coverage of the new primary geography curriculum using flexible, topic-based work. Focusing on real-life localities within the UK, Europe and the wider world, the series aims to help children to develop geography skills and knowledge with an integrated approach. Designed for use at Key Stage Two, this Teachers Book is part of a package that also includes Pupils Books and Copymasters. Each Teachers Book provides practical advice and support, linking the various components. The sections on Pupils Books give expanded information and activities, as well as advice on cross-curricular links. Additional sections provide information technology, a resource checklist, advice on assessment and profiles of National Curriculum coverage.
