

## Yikes! Gods Working on my Character

Building acceptable character so that everyone doesn't wish we lived on another planet isn't always an easy thing to do. That's because character building is similar to dieting. You do great today, and tomorrow you fall off the wagon. If you have experienced guilt, happiness, resentment, fulfillment, plus all the emotions in between and handled them correctly, then this book IS NOT for you! Most likely you are also skinny and have no need to diet. If though, you are like me, striving daily to be the kind of person we'd like to have as a friend, a sibling, a parent, but failing more times than succeeding, then you must enjoy the read.
