

## Guitar for the Small Fry 1-A

This fundamental teaching method is beautifully graded for the very young pupil. Using a melodic approach, it has large notes and text for reading clarity: cartooned notes to attract attention with humor; functional lyrics to make memorizing a fast, easy and unique experience; music theory and writing to reinforce the playing and learning process. A delightful series, Guitar For the Small Fry consists of Books 1A, 1B, and 1C. A pupil completing Book 1c can go into The Primary Guitar Method Book 2, also published by Beacon Music.
