

The Greatest Book in the Galaxy

In this engagingly unconventional book of inspirational ideas, author and thinker Paris Tosen presents 11 chapters of intelligent speculation, alternative scenarios, new ways of living a more fruitful existence, a possible end to a fixed world, and some bitesized humor. If you're looking for relief from the global hypnosis, *The Greatest Book in the Galaxy* is a good place to find it. Move past convention. Step into alternative thinking. Expand your awareness. Third book in series.
