

Hot Ticket

Juliet Robinson is the only sixth grader in John Jay Jr. High who hasn't received a hot ticket from the mysterious ticket dispenser. When one of the dorkiest kids in school - Crammit Gibson - receives a ticket before she does, Juliet decides that the ticketing system has to stop. With the help of her best friend Lucy, a Daria-esque Madeline and her almost-crush Crammit, Juliet is determined to climb a few rungs on the middle school social ladder and catch the ticket dispenser once and for all! HOT TICKET is a laugh-out-loud middle grade mystery.
