

Release: Why God wants you to let go

Jesus focused on the concept of releasing. He told people to let go of things all the time. Why do we need to know that today?

Our hands are so full that we cant receive Gods blessing. Our grip is so tight that we cant grab on to what really matters. RELEASE explores this concept found predominantly throughout the Gospels. We will look at what was released and what the person received in return. From the characters in the parables to the real people in Jesus life, well see that releasing our lives actually fills our lives.
