

## Snared by the Bear (Coven Tyme Bear Shifters Book 3)

Ritas dreams of being a model have taken a downward turn. So when she revisits her hometown and is immediately pulled over by a cop bear shifter, it arouses her interest. Ben is in a nowhere job and prospects of moving up are low to non-existent in the small town police force. All he wants is to embrace his inner bear, settle down and have bear cubs. Is Rita his mate? Or will immaturity be her downfall?
