

I Love Being a Granddaughter

No relationship is more rewarding than that of a grandchild and grandparent. I LOVE BEING A GRANDDAUGHTER! captures the timeless bond between a granddaughter and her grandparent(s). Inside you'll find a gallery where the little grand can add her picture and those of her grandparent(s) to create a keepsake and to personalize her book and family memories. The wisdom, warmth, and comfort that nurtures a girl and builds her self-confidence is bestowed liberally and genuinely by her grandparents who adored her before they ever held her in their arms. That love only grows stronger with the passing of time. Every girl is a granddaughter. And without a doubt every girl can exuberantly exclaim I love being a granddaughter especially yours!
