

How To Train Your Dragon: Incomplete Book of Dragons

Long ago, the world was full of dragons. But what happened to them? Where are they now? These pages are taken from the notebooks of Viking Hero Hiccup Horrendous Haddock the Third when he was just a boy. A keen dragonwatcher, Hiccup paints a picture of the brilliance and fire and spirit of that lost dragon world. Featuring dragon profiles, dragon anatomy, dragon riding tips and lots more must know info e.g. how to spot the difference between an arsenic adderwing and a glow worm (you dont want to mix those two up) and what to do when confronted with a Hellsteether. This is a must for all keen dragonwatchers out there...How to Train Your Dragon is now a major DreamWorks franchise starring Gerard Butler, Cate Blanchett and Jonah Hill and the TV series, Riders of Berk, can be seen on CBeebies and Cartoon Network. Read all of Hiccups exploits in the series: How to Train Your Dragon, How to Be a Pirate, How to Speak Dragonese, How to Cheat a Dragons Curse, How to Twist a Dragons Tale, A Heros Guide to Deadly Dragons, How to Ride a Dragons Storm, How to Break a Dragons Heart, How to Steal a Dragons Sword, How to Seize a Dragons Jewel and How to Betray a Dragons Hero. Check out the brilliant website at www.howtotrainyourdragonbooks.com Its the place to go for games, downloads, activities and sneak peeks!
