

INTO THE FOURTH AT TREBIZON

At the start of the new school year, the six friends in Court House are determined to stay together. But warm-hearted Mara is forced out of their set of rooms to make way for the icy cool new Swedish girl, Ingrid Larsson. That's when things start to go wrong. Not only for Tish's secret plans for the upcoming hockey tournament and for Rebecca's blossoming friendship with Tish's brother Robbie... but finally, worst of all, for Mara herself. If Mara behaved stupidly, decides Rebecca, it's all thanks to Ingrid - the Ice Queen as Tish calls her - who brings to Court House a real breath of winter. Like other giants of the genre, Anne Digby recreates the genuine flavour of schoolgirl aspirations and anguishes, friendships and rivalries
