

## Italians to America, Nov. 1890 - Dec. 1891: Lists of Passengers Arriving at U.S. Ports

Italians to America is the first indexed reference work devoted to Italian immigrants to the United States. This series contains passenger list information in chronological order on the first major wave of Italian migration during the last two decades of the nineteenth century. As with the highly regarded companion series on German immigrants, Italians to America presents the passenger lists in chronological order, including information on each persons age, sex, occupation, village of origin, and destination, plus the name of the ship, the port of embarkation and the date of arrival. Each volume also contains an introduction on the history of Italian migration to the U.S. and a full name index, greatly simplifying the researchers job.
