

Jeremy Chikalto and the Demon Trace (The Hazy Souls) (Volume 3)

Galaxies implode and the Apocalypse demolishes the wall between the spirit world and the living. Where will the dead go and who will lead them? Uprooted communities turn to communal living as Maren molds a village out of moss. Jeremy grooves with a sassy crocodile in Mantels Maze. The time of the Antichrist is near, but is the taste of victory self-defeat? Even allies have a bloodlust. Watch Jeremy get a little devilish, kick back, and sip parsley soup with a hermit in this tongue-tied and twisted conclusion to The Hazy Souls.
