

Lets Talk about Denominations and the Baptism

Lets Talk about Denominations and the Baptism By Jesse Wilson Everyone knows that denominations are wrong, but no one is doing anything about it. This book was written for all to read both Christians and non-Christians. Author Jesse Wilson hopes this book will be a blessing and a waking for all Christians and an educational tool to the confused non-Christians. He hopes these words will close this centuries-old chapter on how we should baptize. We are followers of the apostles doctrine. We should do it according to their doctrine and according to Christ. About the Author Jesse Wilson comes from a family of nine sons and two daughters. He loves to write. He actually started six novels but never finished. He thought of finishing them, but when he came back to Church and gave his life to Christ, he asked God to use him for truth rather than fiction. It took several years, but He finally answered Wilsons prayer.
