

## Charlie Bone and the Invisible Boy

The third book in the Children of the Red King series, CHARLIE BONE AND THE INVISIBLE BOY offers more magical fantasy that is fast paced and easy to read. This semester at Bloors Academy brings a few changes. There is a new art teacher, Mr. Boldova, and a new student named Belle, who lives with the Yewbeam aunts and seems to have strange power over them. Emma and Charlie soon discover Mr. Boldovas secret identity: He is the older brother of Ollie Sparks, the boy who lives in the attic of Bloors Academy. Ollie had always been prying into matters that didnt concern him, so Ezekiel Bloor had made him invisible. When Charlie and his friends find him, Ollie is alone and hungry, so they promise to help him become visible again.
