

## Mel Bay Mark Elf Jazz Interpretations, Vol. 2

Jazz Interpretations is a set of five choruses based on the chord changes for Friends. They will provide the intermediate student a guide and sound linear approach to playing solid lines. Mark Elf played these examples in real time into a computer and they were transcribed by notation software. It is recommended that after playing through each example that the student learns 1 bar, 2 bar & 4 bar phrases and work them into his or her own solos.
