

I Want To Lose Weight 21 Day Weight Loss Journal

This book is dedicated to all the ladies that struggle with weight loss and have made a decision to surrender the journey to God. To all the women who are tired of making weight loss a god and seeing it for what it really is-bondage, and putting it in its place, on the altar. This is your time and season and everything that hinders you from being the best that you can be, must go. This is your year to conquer your weight problem once and for all.
