

Roadsouls

Say yes to the Roadsouls, and you cant unsay it. Even when that yes has sucked you out of your old life and hurled you into a world that will strip you and change you forever. Timid Duuni has spent her life as abused and guarded property. Blind, arrogant Raim is determined to be again what he once was: hunter, lover, young lord of the earth. Desperate to escape their lives, the two life up their hands to the passing Roadsoul caravan and nothing is as it was. Lost to their old lives, hating each other, they are swept out of their cruel old certainties into an unknown, unknowable, ever-changing world of journey and carnival, artists and wrestlers and thieves.
