

Pop-Up Op-Art: Vasarely

The creator of the brilliant Funny Birds is back with a 3-D pop-up celebration of artist Victor Vasarely that will delight readers of all ages. Widely accepted as the father of op art, Victor Vasarely worked his whole life to create mesmerizing works that were visually both complex and accessible. Now paper artist Philippe UG has transformed seven of Vasarely's most beautiful works into paper sculptures in his newest pop-up book. As readers turn the pages, Vasarely's creations spring to life in delicate and vibrant three-dimensional structures that trick the eye and excite the imagination. Whether you're a long-time fan of Vasarely or pop-up books in general, this unique book offers a visual experience that readers will turn to again and again.
