

Prince Ombra

The World has found its new hero. The problem? Bentley Ellicott is only a kid. Bentley has secret powers. And hes going to need them. Bentley is a hero - the thousand and first to be exact - in a long line of heroes that has stretched all the way back to antiquity. Heroes like Arthur and Hercules. And now: Bentley. Thats because there is an evil in the world that never dies. Its name is Prnce Ombra. When Prince Ombra arises a hero is called upon to battle him. One day when Bentley is grown he will be that hero. What Bentley doesnt know is that his one day is today.
