

A Scarf and a Half

A sweet story about a sheep who is disappointed with his grandmas gift, but soon discovers it is the best gift ever. Granny Mutton gets a bit carried away when she's knitting her grandson a scarf. Little Lionel is imagining his present is going to be a soccer ball, which he can share with all his friends, but he is disappointed when he opens it to discover a very long scarf. However, his friends show him how the scarf can be great fun, and soon everyone joins in. In the end, Little Lionel realizes that it is a fantastic gift.
