

# Shining through the Prism of Belly Dance. Voices from Aotearoa New Zealand

This book is the first in a series of works on inspiration and reclaiming your spirituality in a world drenched in consumerism. It sets out a pathway to spiritual awareness and offers valuable insights on healing, addiction, inner guidance, the mystical and the transpersonal. This book is a rich combination of the authors own voice and the voices of other women as they speak of the inspirational moments they have experienced.
