

Sunrise from the Waters

A man, tired of his life, wants to make a change. He and his woman go into the streets to find an answer to their problems. Their search takes them into the problems of the streets, and this leads them to four more people who want to change their positions in life. They never knew they were destined for change until evil principalities try to defuse their search. Their lives unfold as they defeat their challenges and release the evils of the world. Six people show that with the grace of God, nothing is impossible. With prayers, goals can be reached, and evil ties are broken. The story is action packed, and full of miracles. The characters, MC, Melody, Joseph, Linda, Justis, and Constance, are shattered and scorned throughout their lives. They are brought together to conquer the evil that binds us.
