

## Danger Goes Berserk (Brixton Brothers)

A twelve-year-old sleuth goes undercover and underwater to tackle three cases in this hilarious Brixton Brothers mystery. It's a routine case or at least as routine as a case gets when you're a twelve-year-old private detective who's been sleuthing for just a few months: Steve Brixton must don a neon wetsuit and work undercover to retrieve a stolen surfboard. But when the assignment goes all wrong, Steve finds himself caught inside mysteries involving wild surfers, pirate smugglers, thick-necked goons, and a sixth-grader who can't find his gym shorts.
