

Dungeon Crawlers: Episode 1

A Glorious Adventure Awaits A world of ancient artifacts and technological advancement, harrowing duels with monsters and mechanized enemies, soaring through the azure skies on sky ships and traversing foreign lands on foot, hunting for treasure in decrepit tombs and scouring the modern dungeons of a brave new world. An adventure ten thousand years in the making, these are Lars and Izlude Nokutens first steps towards greatness. How do they fare? The answers are all inside. After all this, theres only one question that remains: Are you on board yet?
