

The Little Zombie Finds A Treasure

A Zombie Treasure Hunt! Beginning readers who have tired of stories about silly cats and puppies can get their young thrills with THE LITTLE ZOMBIE FINDS A TREASURE. This Easy Reader book follows the story of a little zombie, his worm friend, and their search for pirate treasure. The short sentences, simple phrases, and repetitive words are similar to other types of Level 1, Easy Reading, or Beginner Reader books. THE LITTLE ZOMBIE FINDS A TREASURE is ideal for new readers who have just emerged from basic phonics and want a story that doesn't include cutesy frogs, toads, butterflies, or bears. With whimsical illustrations and a tale that's just a bit different from the norm, this early level book for beginner readers will engage both children and adults.
