

# The Scarecrow of Oz

Children will delight in the further adventures of Dorothy, Glenda, the munchkins and her friends as they revisit Oz. Frank Baum was a famous author of children's books. He is best noted for his book *The Wizard of Oz*. Baum used several pen names when writing different series. He used the pen name Edith van Dyke when writing books for adolescent girls. In *The Scarecrow of Oz* Capn Bill and Trot, a young girl, are caught in a whirlpool that begins their journey to Oz. Fortunately Scarecrow saves them from a dreadful fate and they reach Oz's splendid palace. This is a 1915 sequel to *Tik-Tok of Oz*. For grades 4-7.
