

The Slouch in the Couch

Continuing in the tradition of Dr. Seuss, Stephen J. Hemenway created The Slouch In The Couch series of childrens learning books as a means of encouraging children to read while teaching them strong moral values. Using fun rhymes and brilliant illustrations, Hemenway has built an impressive world around the Slouch in his spare time, including a publication called, The Slouch Kids Club Newsletter; The Slouch In The Couch website which is updated frequently at: <http://www.slouch.org>; and The Slouch In The Couch Childrens Corner Band, which performs at local events such as City functions, picnics and amusement parks. You can also hear the bands original music for FREE at: www.slouch.org/slchband.htm.
