

# The Staffieri Principles: A Philosophy in Employee Management

Without a doubt, the major element of successful management starts with the proper management of employees. Employee management is the most difficult aspect of management to master. Now, critically acclaimed national speaker Nick Staffieri gives the reader the proper guidance and training necessary to succeed. There is enough knowledge and information packed into this book for even the seasoned manager to learn something from these pages. These proven methodologies, many based on Nicks own philosophies, have a great track record of success and can be the solution to the management and leadership dilemma faced in todays Corporate America.
